Work in St. Mary's Church

It is hoped that the work to the church will be completed next weekend. Further work to be considered will include repairing the internal damage and replastering the walls as required and then to paint the Church. Costings will now be sought to determine how best to proceed. Hopefully, in time, it would be good to have the floor polished.

Justice and Peace Scotland

"Not all of us can prevent a war; but most of us can help ease sufferings of the body and the soul." (Dr Ruth Pfau, Sister of the Immaculate Heart of Mary) Dr Ruth Pfau was a German-born nun who served as a medical missionary in Pakistan for over 50 years. She became known as Pakistan's Mother Teresa and is credited with eradicating leprosy in the country. Following her death in August 2017 she was the first Christian in Pakistani history to be honoured with a State Funeral.

Pope Francis said on twitter

Charity is the heart of the Christian: just as one cannot live without a heartbeat, so one cannot be a Christian without charity.
