## **Thanks, Ministers of Welcome**

Fr. Paul would like to thank the dedicated ministers of welcome from both parishes who have done an amazing job over the last year. It has been agreed that they will continue to meet and greet you as you arrive at Church. While their ministry may now change a little, their presence and welcome do not, which is for the good of our respective parish communities. Ministry of Welcome has been one of the positive fruits of the pandemic and it is important that we use this to build on for the future life of our parish communities.

## Pope Francis on Twitter

The climate crisis always generates more serious humanitarian crises and the poor are the most vulnerable regarding extreme weather events. A solidarity founded on justice, on peace and on the unity of the human family is needed.
