Social Action Group project

It is hoped that with donations, St Mary's can be toilet twinned with one area of a country in the developing world which does not have the basic sanitation. Sanitation projects vary depending on the community's need but they all help people access a decent toilet and clean water and they always promote good hygiene.

Light up a Life

Light up a life is a special event at the hospice which takes place on the first Sunday of Advent, Sunday 28 November at 6.30pm. This year's Lighting up Service will be a virtual one, with the Service being live-streamed from the grounds of the hospice. Each of the lights on the Christmas tree will be sponsored in memory of or in honour of a loved one. The tree remains lit until 6th January 2022. Please consider supporting the hospice through the remembrance of loved-ones at Christmas.
