Pope Francis on Twitter said

Dear elderly brothers and sisters, please look at the young people. The young people are watching us, and our consistency can open up a beautiful path of life for them. Hypocrisy, on the other hand, will do so much harm.

Outbreak of Dry Rot

Sadly, dry rot has been discovered in one of the confessional boxes in Saint Mary's. After an inspection, it appears to be an isolated area. Costings and a report are currently being sought. The church may have to close during the week and the weekday Mass will transfer to St. Joseph's for as long as is required. Date for the work to start and a timescale of when this is likely to take place will be announced in due course.
