## **Outbreak of Dry Rot**

Sadly, dry rot has been discovered in one of the confessional boxes in Saint Mary's. After an inspection, it appears to be an isolated area. Costings and a report are currently being sought. The church may have to close during the week and the weekday Mass will transfer to St. Joseph's for as long as is required. Date for the work to start and a timescale of when this is likely to take place will be announced in due course.

## **Justice and Peace Scotland**

Let us ask the Lord for the grace that a new wave of love for our neighbour may sweep over this poor world.

*Venerable Pope John Paul I*
