Outbreak of Dry Rot

Sadly, dry rot has been discovered in one of the confessional boxes in Saint Mary's. After an inspection, it appears to be an isolated area. Costings and a report are currently being sought. The church may have to close during the week and the weekday Mass will transfer to St. Joseph's for as long as is required. Date for the work to start and a timescale of when this is likely to take place will be announced in due course.

Children's Liturgy

It is hoped to restart this again in September in both parishes. Please contact Fr. Paul if you would be willing to help, subject to all safeguarding documents being cleared and in place.

Live-Stream from St. Mary's

There have been several ongoing technical issues. Hopefully, it will be solved as soon as possible. Thank you for your patience.

A message from Fr. Paul

Thank you for good wishes and prayers as I recover from Covid. While I have made progress, I still get very tired. Therefore, this coming weekend will be covered by visiting clergy. Please note that during the week there will be no Mass except Wednesday and Thursday, as published.

Please keep me in your prayers as I will you. Thank you for your patience and understanding.
