Outbreak of Dry Rot - update

Sadly, dry rot has been discovered in one of the confessional boxes. After an inspection, it appears to be an isolated area. It is hoped to start this work on Tuesday 7th June and will last a working week.

A message from Fr. Paul

Thank you for your continued good wishes and prayers as I recover from Covid. I am getting my strength back gradually, but I still get tired. Weekday Mass will be as usual this week. However, I will not be visiting anyone for the moment just to keep everyone safe. Thank you again for your patience.

Fr. Paul

Thank You

for your ongoing support...
